25 Years of Service and Quality

Open Seven Days a Week — November Through March

This year we conscientiously believe that we have a collection of the rarest varieties and the finest plants that can be procured.

In our search for rare and treasured Camellias we have not spared time nor expense in visiting Camellia Shows, Nurseries and many, many private gardens where there was a possible chance to secure for our customers the very latest discoveries.

On this list we have a few of the best selections at prices we proudly offer.

DORIS FREEMAN — Exclusive by Gerbing's Nursery

The parent plant is Elizabeth Boardman with Rose Dawn the pollen parent.

The foliage is crinkled, dark green, heavily serrated, and profusely veined. The growth habit is bushy and upright. GRAFTS, \$50.00.
